

XCY-D302

A3 DTF PRINTER

□ Clothing, T-shirt, Sweater, Jeans, Schoolbag, Apron, Mask, Etc...□

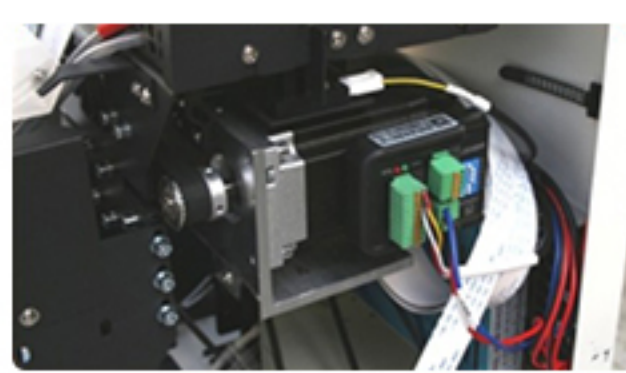

Product Parameters

Model	XCY-D302	White Ink Stirring Function	Yes
Print Width	320mm	White Ink circulation Function	Yes
Print head Model	Xp600	Platform Suction	Yes
Print head uantity	2	Print interface	USB3.0 / Gigabit Network
Applicable Media	PET film	Working Environment	Temperature 15—30℃
Printing accuracy	720dpi / 1080dpi / 1440dpi	Software	MainTop / Photo print
Print head cleaning	Automatic	Operating System	XP / Win 7 / Win 10
Automatic induction winding	Yes	Rated power	250W
Speed/Accuracy	6PASS 5 m ² /H	Packing Size / Weight	920*520*580 / 49kg
	8PASS 3 m ² /H		780*610*620 / 46kg

Show in Detail

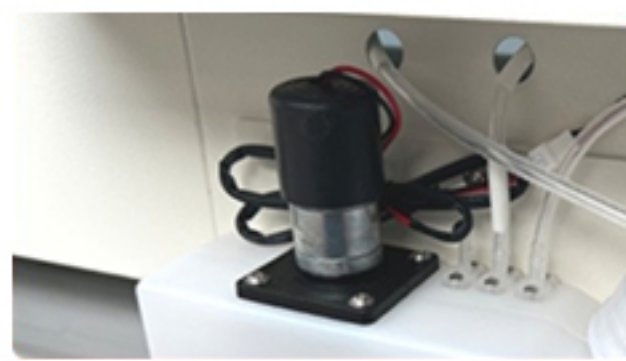

The domestic high-end board system has good stability, low failure rate and durability.

High-quality servo industrial motor drive system ensures the accuracy and stability of equipment printing.

Support four-color or six-color scheme, constant pressure ink supply, effectively prevent ink breakage, transparent ink cartridges and color marking.

Automatically and intermittently stirs the white ink when the machine is turned on, so that the ink of the ink cartridge is evenly stirred and prevents clogging.

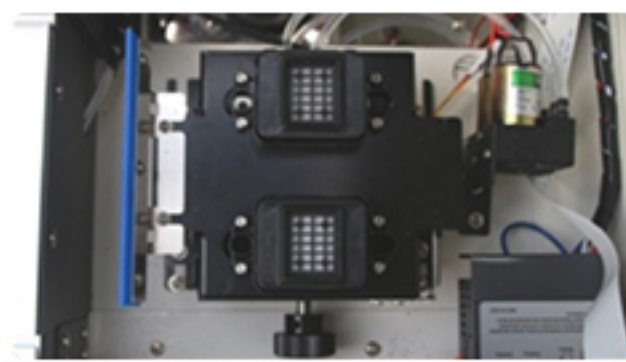

When the machine is turned on, the circulating pump is automatically turned on intermittently to circulate the ink in the pipeline and prevent blockage.

Imported hiwin silent linear guides are used to ensure high-precision and stable operation of the equipment and longer service life.

Adopt high-quality tank chain, greatly improve the service life.

Lifting aluminum alloy ink stack, intelligent automatic cleaning and maintenance of the nozzle.

Note: The above parameters may be changed without prior notice. Please refer to the actual equipment.

Applications

T- shirt

Hoodie

Pants

Tote Bag

Face mask

Schoolbag

Apron

Hat
